SSL protocol – a solution that encrypts the connection between the pages of the connection

The right to privacy

The Dontshow.it service provides the right to privacy in accordance with applicable laws, ie:

- Regulation of the European Parliament and of the Council 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and the repeal of Directive 95/46 / EC (general regulation on data protection);
- the Act of 18 July 2002 on the provision of electronic services;
- Act of 16 July 2004 on Telecommunications Law.

Personal Data Administrator

Sembot Ltd.,
4th Floor 18 St. Cross Street, London, EC1N 8UN.

Data collection

Data on the use of the site

As part of using the website by the User, we collect data in the system log such as: user's IP

address, connection time, information about the browser, the destination address of the website,

information about possible errors

Data from forms

The user agrees to the processing of the entered data by the Service. The data entered will not be made available to third parties.

Subscribing to the newsletter

Processing of an email address to deliver messages

Registration

Processing email address for logging in and system correspondence

Submit an order

Processing data necessary to make internet payments and issue a sales document: data such as Name, Surname, email, telephone, contact details for the sales document, company name, nip (EU VAT). The introduction of the above-mentioned data is voluntary, however, the inability to enter them may make it impossible to set up an account and make a purchase.

Processing of personal data

Personal data collected through the forms are processed only for the use of the website. No data is shared with third parties.

User Rights

The user has the right to access data about him, rectify, change, delete and limit processing. The User has the right to lodge a complaint with the supervisory body regarding the protection of personal data – the President of the Office for Personal Data Protection.

The use of cookies

Service, in accordance with art. 173 of the Act of 16 July 2004 Telecommunications Law, uses cookies. Cookies are necessary to ensure convenient operation of the website, the ability to collect analytical data and for advertising purposes (identification of whether the user was on the site). No personal data is collected and made available via cookies.

The user can block the collection of cookies using the appropriate settings in the browser.
